

# MATHER VETERAN'S VILLAGE

## PHASE II

### DESCRIPTION OF PROJECT

Mather Veteran's Village II was the last of the three phase project completed by Broward Builders for the Rancho Cordova community and local veteran's.

This project included the renovation of a 20,000 square foot old air force "bachelor officer's quarters" to a 46-bed transitional housing facility for homeless vets. In addition to housing, this facility includes a full service, commercial kitchen.
