

# MATHER VETERAN'S VILLAGE

## PHASE III

### DESCRIPTION OF PROJECT

Mather Veteran's Village III was the second project of the three phases completed by Broward Builders for the Rancho Cordova community and local veterans.

Located on a former Mather Air Force base, just blocks from a Veteran's Affairs hospital, Mather Veteran's Village III includes two, three (3) story buildings that provide a total of 50-unit permanent residences for veterans. Residents enjoy free, on-site services from Mercy Housing California partner Nation's Finest, including case management, counseling, resource navigation support, and organized social opportunities.
