

CALIBER BETA ACADEMY

DESCRIPTION OF PROJECT

Broward Builders, along with our joint venture partners, Clark Sullivan, delivered a brand new, high-quality, TK - 8 campus located in San Pablo, CA.

The Caliber Beta Academy project consisted of the construction of two (2) new buildings; one classroom building and another kindergarten building. Extensive renovation was also performed of additional buildings for classrooms and administration space, along with renovation of a kitchen.

SELF-PERFORMED WORK

- earthwork
- site utilities
- concrete work
- rough and finish carpentry
- metal stud framing
