About Our Company

Broward Builders, Inc. ("Broward") is a comprehensive general contracting firm based in Woodland, CA. We have been proudly serving public works agencies, as well as private and nonprofit clients, throughout Northern and Central California since 1990. Our projects include a mix of design build, negotiated and design-bid-build. Broward is a unique firm because we self-perform numerous trades on every project including earthwork, utilities, concrete, rough and finish carpentry, metal studs and drywall.

Broward Builders, Inc. takes tremendous pride in exceeding client expectations. We are known for being cooperative and flexible. Over 90% of our negotiated work is with repeat customers. We believe this says a lot about the Broward Builders, Inc. culture.

Position Summary

The Estimator II is a mid-level position based in our headquarters office in Woodland, CA. As Estimator II, you will work with our veteran estimating team in prioritizing projects to be estimated.
